LION COFFEE.

LION COFFEE is not glazed or coated with egg mixtures and chemicals, but is an absolutely pure coffee, full of strength and flavor.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
